PREFACE

This report is one in a series on Soviet Ground Force and logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1Plc (DIA). The photographic analysis for this particular report was performed by the NPIC Photographic Analysis Group.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training area or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

25X1D

25X1A
25X1A
25X1A
Krupki Army Barracks is located three kilometers (km) east of Krupki (54-19N 029-08E) north of the Orsha/Borisov rail line (Figure 1). The installation is not rail served. An all-weather secondary road provides access to the Orsha/Borisov highway one km north. Other significant installations in the vicinity include Bobr Ammunition Depot South [REDACTED] located 6 km east and Krupki Petroleum Storage (AL-1: [REDACTED]) 10 km west.

The installation, probably secured, covers 1,240 acres and contains two administration buildings, 17 barracks, 11 support buildings,

four storage buildings, seven vehicle sheds, one vehicle park, and three cleared strips in wooded areas probably utilized as tent areas (Figures 2 and 3). These tent areas probably provide temporary billeting for additional troops during the summer months training period.

The area is covered by [REDACTED] TAL [REDACTED] photography and [REDACTED] KEYHOLE missions between [REDACTED] Comparative analysis reveals a consistent level of moderate usage. The only change in facilities noted since [REDACTED] is the addition of two cleared strips as tent areas.

DESCRIPTION OF INSTALLATION

25X1D

Railroad Service

The Orsha/Borisov rail line passes the installation 300 meters to the south; however, it does not directly serve the area.

Road Service

A secondary road provides access to the all-weather primary Orsha/Borisov highway.

Administrative and Troop Housing Area

25X1D
Area D (Figure 3) contains one administration building, 17 single story barracks, and two small support buildings. Two rows of possible vehicles were observed in the northeast section of this area on [REDACTED] coverage.

25X1D
Three cleared strips in wooded areas within the installation are probably utilized as tent areas. Two of these tent areas have been cleared since [REDACTED]

Other Buildings

Area H contains four small support buildings located in the northwest corner of the installation.

Equipment Storage/Maintenance Areas

Area J1 contains one 140- by 50-foot vehicle shed, one administrative building, and two storage buildings. Three lines of possible vehicles were visible on [REDACTED] coverage, parked in front of the shed.

Area J2 contains three 160- by 50-foot vehicle sheds, one large support building, one small support building, and one storage building.

Area J3 contains two 160- by 50-foot vehicle sheds and one large storage building.

Area J4 contains one 150- by 50-foot vehicle shed and three small support buildings.

Area J5 consists of a 2,000- by 550-foot unoccupied vehicle park, located outside the probable secured area. Vehicles were observed in this area on [REDACTED] photography.
